## The Gospel of Luke

The practice of our Christian life and witness depends to a large extent upon our understanding of the Gospel, the person of Christ, the function of the Holy Spirit and the spiritual practices such as prayer and forgiveness.

Luke, in his Gospel, introduces us to the person and ministry of Jesus. In this seminar we will explore the mission of His ministry, the nature of salvation, and the practices designed to help believers build healthy, loving, giving relationships and be effective witnesses to the love of Jesus.
